"Let us fix our eyes on Jesus"

A Sunday Full of Blessing!

What a great day Sunday was! While every Sunday we get to come together for worship is special, there was something special in the air yesterday. I want to thank Ronnie Osteen who always does a wonderful job stepping up when Mark is away and leading us all in worship. What a blessing it was to welcome two new babies with us for the first time, Matthew Butcher and my son, Daniel. I'm really glad that we can spend time as a church family recognizing new additions and praying over their families. It really means so much! Thanks, Ricky Pierce, for a great and encouraging prayer! Our evening was full of blessing, too, as we honored each of our graduating seniors. We are so proud of each of them and I SO enjoyed hearing their comments about their plans for the future. God has BIG plans for them all! RCA's chorus did an outstanding job singing. Having only been working together for a short period, they sounded great... and I want to thank Susan Hampton for all of her hard work with them. They are preparing for the Baccalaureate service which will be here at our building on May 16th and for graduation. And to top it all off... we got to witness a new sister profess her belief in Christ and be baptized into a watery grave! Ashley Slone, one of our graduating seniors and recent addition to the youth ministry, put on Christ in baptism after our meal together and we were all privileged to be a part of it! We are doubly proud of Ashley for her love for the Lord and the enthusiasm she has shown!

Discipleship... "in the steps of the master"

Countdown... in two weeks, beginning May 16th, I will be beginning a new Sunday morning series of messages entitled, "Discipleship." I have been encouraged as well as challenged by our Vision Team that the area of 'discipleship' is something that we need to focus on as a congregation this year. What does it mean? What does it look like? How do I become a disciple? How can we grow as disciples? These are some questions we will explore together... so be praying and preparing to explore this topic in the coming weeks. I SO appreciate JB Cox and his work with the Vision Team over the last several months. Many good things are coming from their work.

New Class... "Love & Respect" downstairs in room 110

A new class open to everyone began on Sunday, but its not to late to join in! Based on the video series "Love & Respect" and coming right out of Ephesians 5, this class will bless anyone who struggles to understand the differences between men and women (that's just about all of us, right?) To encourage folks to attend, I will be putting my Sunday morning class on 'pause' for a while and shuffling folks that way. I guarantee you, you will be blessed.

Have a great week,
Jim

MOTHER LOVE

My Mother's Love is with me
No matter where I go
To comfort and sustain me
Through all my days below.
If I rise to great achievements
Obeyed and honored by men
Or sink into degradation
Besmirched by the stains of sin.
Life's filled with many changes
But this one thing I know
My Mother's love is there with me wherever I may go.

E/D/M MEETING
Sunday, May 9—3 PM

Living the Life -

Senior Sunday Night this past Sunday was a night of fond memories as we looked at what God has done and excitement as we look forward to the future that God has in store for Chris Field, Emily Graham, Megan Hollis, Amber Moon, Ashley Slone, Trent Smith, Aaron Tew, and Hannah Thomas. We are grateful to everyone who stayed to eat and to celebrate what God has done in the lives of our young people

Welcome to the family! We are excited to announce that Ashley Slone put on Christ in baptism at the end of our Senior Night activities last night. There was no better way to end our evening together than to welcome a new sister into the family of God.

Worship Sunday night was led by our young men who did a great job. Be sure to thank our guys for stepping out and leading in front of the congregation this past weekend.

Attention Guys! Adam Smith, John Osteen and Thomas Osteen are planning a morning of activities for all of our guys (and any dads that might want to come) for this Saturday, May 8th from 8:30 AM until lunchtime. See Adam for more details.

Sunday! Sunday! Sunday! – we are in the second week of an intense Bible study for our 6th-12th graders on the third floor during Sunday School. Be there – you do not want to miss a week!

Mom Needed! The youth ministry is in need of a mother or other adult woman who is interested in chaperoning and participating in our Fort Worth Mission Trip June 19-26. If you have a heart for working with children and want to see God do awesome things in the lives of our teenagers than this trip is for you. Anyone interested should see Brad Sullivan as soon as possible.
