"Let us fix our eyes on Jesus"

Summer at Washington Street... COMING SOON!

What a busy time of year! The end of May always brings lots of activity for all of our families and especially those with high school seniors who will be graduating. In the last few weeks we've recognized our eight graduates and their families... and this past Sunday hosted a Baccalaureate service for the seniors at Riverside Christian Academy. What a blessing to have the opportunity to pray over these young men and women as they pass that great milestone in their lives! It's a busy time for my family, too, as we spend much time back and forth to the ball park every night. But now as I look towards the end of May, I realize that Summer is just about upon us! That will bring lots of new activities and excitement! Our new youth intern, Isaiah Owens, will be with us beginning May 30th. I'm looking forward to working with this fine young man. On Saturday night, May 29th, we will be hosting "**Café Hope for Nashville.**" This is a change from the date previously announced, as there is another community event occurring on that Friday night (28th). So, the date has been changed to the 29th.

VBS... "Family Bible School"

And VBS is just around the corner! This year, VBS is becoming "Family Bible School" and we want to encourage EVERYONE to attend... every member of our church family. This year in addition to the great youth programming, there will be a Bible class just for the ADULTS! Taught by a variety of guest speakers, our adult class will track alongside our children's activities and we will be exposed to the same lessons right out of God's Word. Mark your calendars for June 13th - 16th and bring the whole family! We want everyone here every night!

Share Groups

This summer our Share Groups have decided to continue to meet and so our schedule of services will remain as they are until the Fall. Then, in the Fall, our groups will break for a special series of meetings here at the building... leading into the holidays. The 5pm meeting at the building will continue for anyone not a part of a Share Group or for groups that choose not to meet. This change for our groups will do several things for us. It will allow our groups the flexibility of meeting throughout the summer and hopefully provide greater outreach opportunities. It will also put us on track to take a break from group meetings at a time of year when people are even busier than they are now. Also, I've been looking for an opportunity for us to have a Spiritual Growth Seminar, focusing on ways in which we can grow in Christ. I hope to be sharing more details about that coming up in the Fall real soon!

5th Sunday Special Contribution

Don't forget that May is a "five Sunday month" which means on Sunday, May 30th we will be passing the plate twice... once for our regular weekly contribution which meets the ongoing ministry needs of our church family... and again for a special contribution which will go towards paying down our building debt. We are on track to paying this thing off and I want to thank everyone for so generously giving over and above so that we can be good stewards of what God has blessed us with!

-Jim
