

God... Creator

Aim: To explore God as the almighty, all-powerful creator of the universe... and to find ourselves as a part of His creation.

Open: Which season of the year do you like best and why?

Read: Psalms 8:1-9; 19:1-4; 139:13-16

- *What do you think of when you “consider the heavens, the works of [God’s] fingers?”*
- *Have you ever wondered gazing at the star-filled sky, how God could be “mindful” of your little life? What does this mean about your importance to God?*
- *How does the phrase “God don’t make no junk” illustrate Ps. 139:13-16?*

Discuss:

- *How does the fact that God is your creator give purpose & meaning to your life?*
- *Can we do anything we want to God’s creation? What are our limits? Our responsibilities?*
- *What should be the Christian’s view towards the environment? The planet? Animals?*
- *What is God’s view of man? How is this different from the prevailing views today? Humanism? Evolution?*
- *What does this say about how we should view and treat our fellow man?*
- *What in creation fills you most with a sense of God’s glory? Stars? Mountains? Oceans? Other?*
- *What do you like to do outdoors? What’s your favorite outdoor activity and why?*
