

God...

Infinite Power

*Aim: To seek strength in the Almighty power of
our Omnipotent God.*

Open: If you could be a superhero, what “super power” would you most want to have?

Read: Genesis 17:1-8; Psalm 89:8-18;

- *What do you think Abram first thought when God told him that he was going to be a father of “many nations”?*
- *How old were Abram & Sarai at this point? How likely was parenthood for them?*
- *Discuss the rest of the Abram & Sarai story... how did it turn out? How was God’s promise fulfilled? How did they attempt to work out God’s plan for themselves instead of trusting God to provide?*
- *Notice the descriptions of God’s power in Psalm 89. What does it compare to?*
- *When you think of the OMNIPOTENCE of God, what stories from the Old Testament come to mind?*

Discuss:

- *Have you ever doubted and tried to work out something yourself (a la Abram & Sarai) rather than waiting on God to come through? Why?*
- *What is the biggest problem, obstacle or setback that you have experienced recently?*
- *Can you share a time when you believe God helped you overcome a seemingly “insurmountable” problem in your life?*
- *How has God shown his power in YOUR life? Can you give a specific example?*

Pray Together: What can we pray for you about this week?
