

## Youth Event Financial Aid

We want you to know that the ministers and elders at Washington Street desire for all of our students to be able to attend youth events. However, we know that these events can be expensive, and your financial situation might hinder you from being able to pay the registration fee. If this is the case for you, we want you to know that the members at Washington Street can sympathize with you and would like to help.

If you need assistance for an event just fill out this form so that the youth staff can make sure the appropriate funds will be made available for your teen. Washington Street never considers it a burden to cover anyone's costs and receives great joy from knowing that your teen is able to attend our youth events.

All names and information will be confidential and will only be made known to the Washington Street Youth staff and the elders. We are excited that your child will be able to attend this event.
